

The background of the image is a photograph of a golf course at sunset. The sun is low on the horizon, creating a warm, golden glow and long shadows across the green grass. There are several sand traps and a line of trees in the distance. Overlaid on this background is a large, stylized graphic. The graphic consists of the words "Get Lucky" in a white, cursive script font with a dark green outline, set against a dark green, cloud-like shape. Below this, the words "HOLE-IN 1" are written in a bold, white, sans-serif font inside a dark green rectangular banner. Underneath the banner, the word "Challenge" is written in a white, cursive script font with a dark green outline. A small, realistic golf ball is positioned at the end of the word "Challenge", appearing to sit on a small patch of grass.
