THE LIQUID THAT STARTED IT ALL..

THE WORLD'S FIRST FLORAL RUM

WITH HIBISCUS, HONEYBUSH
& ORANGE BLOSSOM

After aging up to **8 years**, Suncamino Floral Rum is finished with **natural floral extracts**, **matured to perfection** & bottled by hand.

THE LIGHT & SUNNY

OUR SIGNATURE SERVE

A **Double Suncamino** with **Ginger Ale & fresh lime**.

Simple, balanced & extremely sessionable – Rum & ginger ale are lifelong friends. The gentle spice & lift of Ginger Ale perfectly complements Suncamino Floral Rum's smooth honey, oak & orange blossom notes.

SUNCAMINO OLD FASHIONED

THE REAL PRIZE

WHITE RUM DOMINATES IN THE NETHERLANDS
— BUT THE CATEGORY IS RIPE FOR DISRUPTION.

LEADING SPIRITS BRANDS: NETHERLANDS

000s 9-LITRE CASES

SOURCE: IWSR 2023

BACARDI: 626.9

SMIRNOFF: 194.6

KETTLE ONE (GENEVE): 155

JOHNNY WALKER: 150

JAGERMEISTER: 120.2

Bacardi Carta Blanca owns the white rum shelf — especially in the iconic “Baco” (Bacardi + Coke) serve.

They’ve locked in bars, flooded the market with trade spend & held the top spot for decades.

But the product is flat, flavourless & uninspiring — described by drinkers as “harsh,” “vodka-like,” & “barely drinkable neat.”

RUM LEADS WHERE IT COUNTS

RUM & COKE IS
NL'S TOP-SELLING
MIXER – ONLY
ONE BRAND
CURRENTLY OWNS
THE SPACE.

THE MARKET
IS HUNGRY FOR
MODERN BRANDS
THAT ALIGN WITH
LIFESTYLE, NOT
LEGACY

RUM IS THE ONLY
SPIRIT FEATURED
IN 3 OF THE
WORLD'S TOP 10
COCKTAILS

(The Mojito, Piña Colada & Rum & Coke)

Rum's presence across the world's most popular cocktails makes it uniquely versatile, familiar & primed for scale.
It is easy to mix, easy to adopt & naturally suited to high-volume serves without heavy consumer education.

Yet the category remains stuck in a sea of pirates & outdated tropes — **Suncamino is set to rewrite the narrative.**

INTRODUCING THE CHALLENGER

SUNCAMINO BLANCO

Distilled in a copper-enhanced, multi-column still, Suncamino Blanco is vibrant & sessionable, with a subtle tropical lift that shines in classic serves.

Design-led, community-driven & premium without the ego, Suncamino invites drinkers to join the journey & make the everyday more adventurous.

SUNCAMINO IS MORE THAN A DRINK
– IT'S A CONSTANT EVOLVING CULTURE
OF RITUALS, STORIES & COMMUNITY.

+

WE DON'T COMPETE. WE REDEFINE.

SUNCAMINO ELEVATES EXISTING RITUALS

Suncamino exists for those who choose meaning over default. Where legacy brands focus on volume & familiarity, Suncamino brings story, design & intention back into the glass. It is a modern rum built around connection, moments, & contemporary rituals. Suncamino visually elevates existing rituals through:

A MULTI-SKU PLAY

With a brand forward approach & multiple SKU's at play, we build the platform for Suncamino's growth. The brand is lead with the premium, aged Floral Rum whilst we push higher volumes with Suncamino Blanco & later, RTD's.

“SUNCAMINO IS ONE OF THE MOST RIP ROARING BRANDS AROUND, PUSHING SOME LONG STANDING BOUNDARIES THAT HAVE RESTRAINED THE RUM CATEGORY FOR WAY TOO LONG.”

WHERE SUNCAMINO THRIVES

[**PARTNER**] has built powerful platforms that are a natural fit for Suncamino. Here lies a unique opportunity to levate both the brand & the platform.

PARTY: CELEBRATE THE MOMENT

High-energy occasions are where Suncamino Blanco thrives. With established infrastructure, reach & cultural relevance across Dutch party moments, Suncamino fits like a glove.

RED CARPET: TRADE FIRST

Bartenders are the gateway to discovery. Red Carpet creates a powerful platform to excite the on-trade with something new. Suncamino delivers fresh serves, engaging garnish rituals & a compelling alternative to default rum & coke pours.

NEXT GEN WHISKY AGED SPIRITS REFRAMED

By introducing younger consumers to aged spirits through storytelling, craft, & experience, Next Gen Whisky opens a natural pathway for Suncamino's 8yo Aged Floral Rum. Today whisky, tomorrow aged rum.

HOW SUNCAMINO WINS?

Large liquor corporations don't have the ability to develop cutting edge brands, nor innovate within, whilst small batch distillers struggle to be both master distillers, innovative brand builders & have the infrastructure to scale globally. With unique positioning, a lean operating model & the ability to scale fast, we can capitalise on the right trends.

BUILT TO MOVE FAST

Agile by design, able to respond quickly to culture, trade feedback & new opportunities.

LIQUID *with* CHARACTER

Purposeful infusions & distillation with depth, balance & versatility.

DESIGNED *for* MODERN RITUALS

A lifestyle-led brand built around connection, moments & everyday adventure.

FOUNDER-LED EXPERTISE
